Isolation mode

[by Corrado Cozzi – EUD SNM Director & Communication]

Suggested Sabbath School programme

(Identify those in the congregation who are disabled and have special talents that can be used during the Sabbath School program. Perhaps they can lead song service, play an instrument, read the Sabbath School comments, or lead in a discussion)

Welcome

PPT 13 : Interview to disabled if possible:

Ask those with various special needs if they would be interested in sharing about their life. Be careful to not embarrass them but let them know that the church family would like to know them in a deeper way.

1. What are some of the challenges or difficulties that they face in everyday life, specifically about the text of the lesson focusing on being alone?
2. What was their feeling when they felt accepted and not alone anymore?
3. What are some of the difficulties they experience in the church regarding the way they are accepted, refused, ignored, welcomed?
